Thursday evening

Dear Folks,-

Have just had supper and ate quite ravenously as we were out riding this afternoon, about 2:30 we got on the street car and rode to the central city got a transfer and took a South Side car and rode a long distance through Minooka almost to Avoca. This morning the door bell rang three times before we were dressed boys selling buckliberries.

We worked in the yard from 9 o'clock until noon got every thing set out but the yellow daisies.

When we went out to take the car an auto was badly smashed just above the corner by a street car. Had company just a little
